

An aerial photograph of a tropical island. The island is mostly green with dense vegetation. A long, straight runway or road runs diagonally from the top left towards the bottom center. A small white airplane is parked on the runway. The right side of the image is partially obscured by a large, bright red, textured shape that looks like a torn piece of paper or a map overlay. The text "robwechseb fennesz wrapped isbands" is printed in a white, serif font across the middle of the image.
